

Care Home Leadership in Research

Wren Hall
NURSING HOME

My Home Life England Leadership Support Programme

Summary Report

An evaluation conducted by Natalie Sanford, Kings College London, and Janet Anderson, Professor of Quality of Care for Older People, City, University of London.

Good Leadership Qualities in Research

- Shared Vision
- Lead Change
- Forward Looking
- Listen
- Be Honest

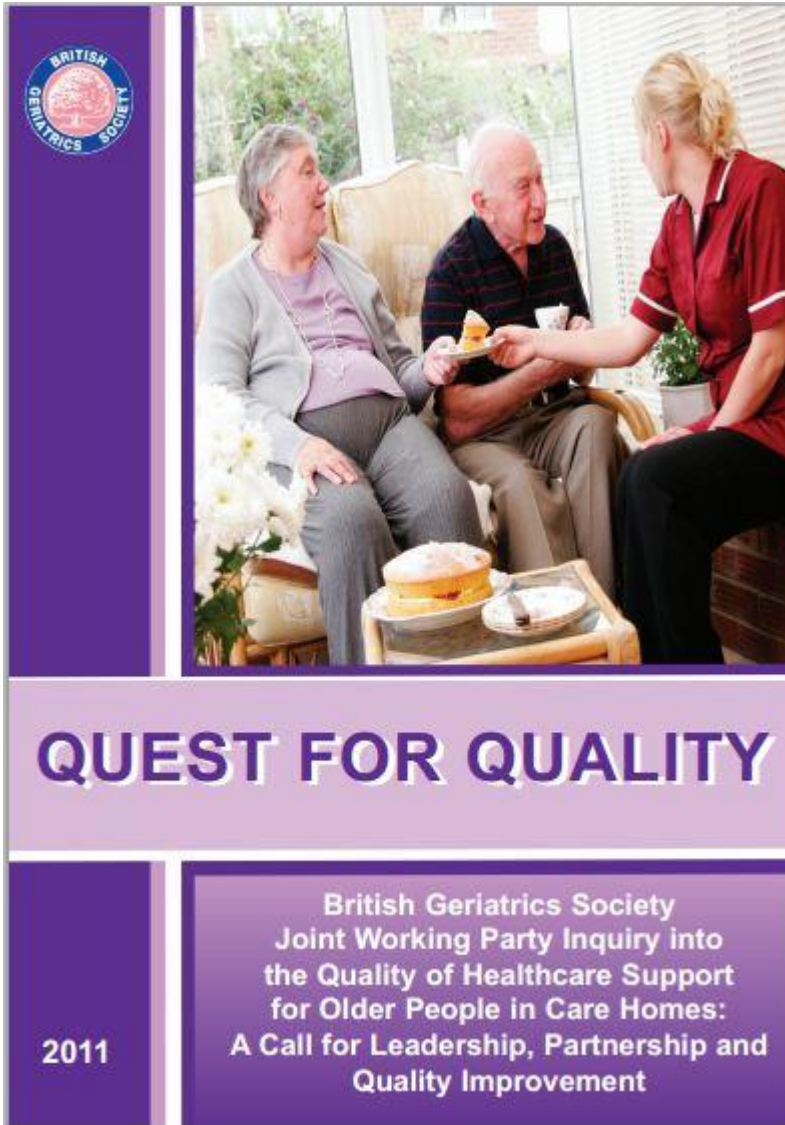

Inspire People

Empower People

Set Example

Be Courageous

Be Competent

The cover of the report features a photograph of an elderly woman and man sitting on a sofa, engaged in conversation with a caregiver in a red uniform who is offering them a small plate of food. A tray with a cake and a plate is on a table in front of them. The background shows a window with blinds and some indoor plants.
