

INVOLVING UNDER-SERVED YOUNG PEOPLE IN INTEGRATED CARE

LESSONS FROM THE PANELS STUDY

Learn more about PANELS (PARTicipation of under-served young people in North East London health and wellbeing Services), a collaborative project with young people and community organisations which explored how place-based health and care systems can better meet the needs of underserved young people.

18 November 2026

13:30 - 14:30

Online webinar
