

ARC EoE Implementation Seminar Series

The NIHR ARC EoE runs an Implementation Fellowship featuring a series of open seminars in which speakers discuss an aspect of research implementation in which they are internationally preeminent.

Anyone interested in research implementation is welcome to **attend either in person** or **via Zoom**, an online videoconferencing platform that runs on any browser (no account needed).

Location: NIHR ARC East of England, Douglas House, 18 Trumpington Road, Cambridge, CB2 8AH

Time & dates	Lecture and Speaker	Zoom link
12.30 to 1.30pm 05/03/2020	The role of context in implementing research evidence <u>Professor Annette Boaz</u> <i>Professor of Health Care Research, St George's, University of London and Kingston University</i>	https://zoom.us/j/848793350
