

Hertfordshire Veterans Healthcare Access - Focus Group

Healthwatch Hertfordshire is working with the Hertfordshire Armed Forces Covenant Board, known locally as Hertfordshire Heroes to better understand the veteran's experience of accessing healthcare in Hertfordshire.

There is relatively little local data on this topic, so to make a difference we need to hear from as many veterans as possible on what is important to you, what you think is working, as well as any barriers you may have faced when accessing healthcare.

To help us understand this, and improve services for the veteran community, please take part in one of our **virtual/phone discussions** to talk to us about your healthcare experiences.

For more information or to participate in our work, please contact **Annabel** on: **01707 275 978** or email **info@healthwatchhertfordshire.co.uk** by the **10th of September**
