

Join us for a virtual seminar

Tuesday
02 February 2021
1pm – 4pm

Community Engagement & Inclusion of Under-Represented Groups in Research Seminar

Chaired by:

- **Professor Kamlesh Khunti**, Director for NIHR ARC East Midlands and Lead for The Managing Multimorbidity Theme
- **Professor Azhar Farooqi**, Lead for The Ethnicity and Health Inequalities Theme

The NIHR ARC for East Midlands is the national lead for Equality, Diversity and inclusion of under-represented groups, and together with contributions from across the NIHR ARCs is holding a virtual seminar.

The event will feature:

- **Presentations from the ARCs** with examples of good practice of community engagement and inclusion of under-represented groups in research
- **An update from ARC EM** on the pilot of Equality Impact Assessments in research
- **Outcomes of public perception of Covid-19 vaccine trials**
- **Panel Q&A Session** with presenters
